## FEATURES

Simple, clean lines and softly rounded edges are typical design features of the Deep by JIKA series. It will delight not only with its modern shape, but also with the careful coordination of all elements. The WC combi with vertical outlet has a deep flushing and fitted with side water inlet 3/8". In addition, the toilet saves water thanks to the Dual Flush system with the option of flushing only 3 or 4.5 liters of water. Installation kit is included. We provide an extended warranty of 10 years for JIKA ceramic products.
